Every financial year, Beverley Town Council has to produce a projected budget for the coming year. From this, the Town Council asks East Riding of Yorkshire Council to place a charge on every rate payer within the four wards of Beverley.

This money covers the Town Council's expenditure and running costs and is called the **precept**.

The amount each household pays is based on the Council Tax band in which their property falls, details of which are

listed below.

The precept in 2014/2015 was £273,766. The Council Tax Support Grant was not received in 2014/15 from East Riding of Yorkshire Council. The Band D for 2014/2015 was £47.77.

The gross precept for 2015/16 is £278,470. The Band D for this precept is £47.54. The precept has slightly increased due to additional costs for salaries, office administration, street lighting, CCTV and town maintenance..

The bands range from A, being the lowest to H, being the highest. At the lower end, this equates to a weekly amount of just **61p**, and the upper end will be charged no more than **£1.83** per week.

For more details regarding the financial breakdown of the precept, please see the opposite page of this supplement.

If you have any queries regarding your Council Tax and the precept, please contact the Town Clerk at Beverley Town Council on 01482 874096.
