

Beverley Town Council

Terms of Reference for Grants Fund

Beverley Town Council awards grants of up to £3000 to local organisations to assist them to achieve their aims and objectives. The Council has a policy of only assisting truly local community groups, and this is interpreted to mean those organisations based in the Parish of Beverley or national bodies with an independent branch in the Parish of Beverley, providing support to the residents of the Parish of Beverley.

How an application is considered?

All applications will be considered on their individual merits.

The Grants Committee will consider applications on the following basis:

- How well the grant will meet the needs of the community
- How effectively your group will use the grant
- Whether the costs are appropriate and realistic
- Level of contributions raised locally
- Whether the applicant could reasonably have been expected to obtain sufficient funding from a more appropriate source
- How the group is managed
- How the grant positively benefits residents residing within the Parish of Beverley

Grant Applications will be considered twice a year (June and February) by the Grants Applications Committee.

Any application to which a member/Councillor of the Grants Committee has executive powers on the applying body (E.g. Executive Committee Member/Trustee), will automatically be referred to Full Council for consideration

In very exceptional circumstances a grant will be considered by Full Council.

The annual budget will be divided into two equal tranches.

If the total amount of approved awards exceeds the tranche figure, the Full Council will give precedence to those projects that are of a charitable nature.

Any approved awards excluded on these grounds in June will be considered at the February Grants meeting.

If the total amount of approved awards is less than the June tranche figure, the difference will be added to the funds available to be distributed at the February Grants Meeting.

You are expected to attend the meeting to provide any additional supporting information and answer any questions the Committee might have.

Deadline dates for the receipt of Grant Applications are listed at the end of these Terms of Reference. Grants received after this date will not be considered.

Grants to successful applicants will be made following Full Council ratification and payment made at the Policy Meeting in the month following the Grants meeting and will be paid by cheque.
