Every financial year, Beverley Town Council has to produce a projected budget for the coming year. From this, the Town Council asks East Riding of Yorkshire Council to place a charge on every rate payer within the four wards of Beverley.

This money covers the Town Council's expenditure and running costs and is called the **precept**.

The amount each household pays is based on the Council Tax band in which their property falls, details of which are listed below.

The precept in 2017/2018 was £267,469. The Band D for 2017/2018 was £44.00.

The precept for 2018/19 is £267,469. The Band D for this precept is £43.45. The precept has a decrease of 1.27% due to an increase in the tax base figure.

The budget has been maintained by decreasing some lines and increasing others to meet the demands of the Town Council's services.

The bands range from

A, being the lowest to H, being the highest. At the lower end, this equates to a weekly amount of £0.56 and the upper end will be charged £1.67.

For more details regarding the financial breakdown of the precept, please see the opposite page of this supplement.
